## Helping Patients Transition to Survivorship

This presentation is designed to help participants enhance patient care through a better understanding of cancer survivorship. In this presentation, participants will:

- Review the definition and stages of survivorship
- Learn effective communication strategies to help patients identify themselves as survivors

**Kathryn Renee Waitman, FNP, MSN**

**Date:** June 21, 2011

**Time:** 6:00 pm

**Cancer Care Associates**

**1791 E. Fir Ave**

**Fresno CA 93720**

**Donna Oreizi**

**(559)326-1222 ext 290**

**This presentation is sponsored by Lilly USA, LLC,  
and the speaker is presenting on behalf of the company.**

As of January 1, 2011, if you are a US medical doctor or doctor of osteopathy with an active state license number, the value of the meal that you receive when attending this program may be disclosed on Eli Lilly and Company's Physician Payment Registry as a transfer of value made to you by Lilly. As a result of enacted state regulations, individuals with prescribing authority in the state of Minnesota who have exceeded their \$50 per year allocation, or who are healthcare professionals licensed in the states of Massachusetts or Vermont will not be provided food/beverage/meals. This medical presentation is intended only for invited healthcare professionals for whom the information to be presented is relevant to their practice. We regret that spouses or other guests cannot be accommodated.
